IMPORTANT SAFE RENTAL CONDITIONS

SAFE INSTALLATION PROCEDURES: A detailed booth plan showing positioning of your rental safe (or safes) is required to be sent to Rolland Safe Company, no later than April 3, 2017.

Submit to Gicela Gonzalez, safere rentals@rslc.net, fax 214-845-6693

We will accept any of the following plans:

- Option 1: A professional exhibit contractor plan (i.e. Freeman, EFI, Syma, etc.)
- Option 2: A hand-drawn plan, indicating all walls, enclosed rooms, doors, furniture, and potential obstacles.
Indicate the front, sides and back boundaries of the booth.
- Option 3: Rolland's Safe Installation Plan.
 - ALL PLANS must show the position of the safe with the door side indicated.
 - ALL PLANS must identify your Booth #, Company Name and Booth Size.
 - Placement of multiple safes if applicable.

AVOID RE-INSTALLATION CHARGES: If after submitting your plan you need to change your safe positioning, immediately contact Gicela Gonzalez at safere rentals@rslc.net or 214-845-6804. Safes are installed several days in advance of Exhibitor Set Up. **If you request repositioning of the safe, after initial approved placement, during or after the Exhibitor Set-Up period, there will be a minimum additional labor charge of \$200.00.** JCK Las Vegas will invoice you for the labor charges.

INSURANCE COMPLIANCE: Exhibitors are solely responsible for insuring their show inventory. Rolland Safe Company and JCK Las Vegas do not provide insurance coverage. The safe program has been reviewed and approved by most jewelry insurance companies. Each of the rental safe options fall into one of two distinct security levels with different insurance coverage limits:

- UL-rated TL30 Burglary rating – High Security Safe
- Non-UL rated “Class B” – Medium Security Safe.

Individual insurance policies have different coverage parameters for trade shows AND specific safe models. Rolland Safe Company and JCK Las Vegas strongly advise you to **consult with your insurance carrier PRIOR** to submitting your order to determine which security level is in compliance with your individual show insurance coverage.

Rolland Safe Company may provide additional information about our rental safes to your insurance carrier. For assistance, contact Gicela Gonzalez at safere rentals@rslc.net or 214-845-6804.
