PRODUCT DAY & INSPECTION DEADLINE: Thursday, May 31 is PRODUCT DAY ONLY. ALL BOOTHS MUST BE SET by Wednesday, May 30 @ 5:00pm so that we can properly clean and cool the Exhibit Halls for opening morning. ALL CRATES AND EQUIPMENTS WILL BE REMOVED FROM THE EXHIBIT HALLS BY THAT TIME REGARDLESS OF THEIR STATUS.

Any booth not occupied by 3:00pm on Wednesday, May 30, 2018 will be presumed abandoned. If there is freight in the booth and Show Management believes the Exhibitor will be late, then Freeman will set up the display as best they can with the information available. If there is no freight in the booth and/or Show Management believes the Exhibitor will not participate in the show, the booth will be reassigned. Exhibitors arriving after this time will be given space available and may incur additional costs.

All exhibits must be completely set by 5:00pm on Wednesday, May 30, 2018. Although exhibitors may fine tune their booth and set product on Wednesday, May 30, 2018 after 7:00pm and Thursday, May 31, 2018, no shipment will be accepted past 5:00pm on Wednesday, May 30, 2018. Absolutely no shipment, equipment, or material may be brought onto the show floor during show hours.

Exhibitors with special needs that require variance from these guidelines must get prior approval from Show Management. Exhibitors should send a detailed booth plan and drawings of their proposed display for this approval to:
