CART SERVICE

FREEMAN will provide this service for Privately Owned Vehicles (POVs) that meet the requirements below.

DEFINITION OF PRIVATELY OWNED VEHICLE:

Privately Owned Vehicles are defined as cars, pick-up trucks, vans and other trucks primarily designed for passenger use, not cargo or freight. Vehicles that do not qualify for this service, or that have material that requires mechanical assistance to unload, will be directed to the Freeman Marshalling Yard.

Workers equipped with a flat cart will assist Exhibitors with unloading. Each cart will handle a load approximately 3' wide x 4' long x 3' high. For safety reasons, it will be the judgment of the Freight Supervisor if the load can go higher than 3 feet. POV Service includes storage of cardboard/product boxes at no additional charge. Empty stickers will be provided for this service.

RATES:

This service is available at a round trip rate of **\$175.75 per trip**.

DIRECTIONS:

- To receive this service, proceed directly to the POV Check-In area (see map) and check in at the designated area. There will be signage posted to direct you.
- Two people must be with the vehicle - one to accompany the product to the booth and one to remove the vehicle from the area.
- Exhibitors who require more than 20 minutes to unload must use material handling services.
- The determination of POV Service versus Material Handling will be made at the discretion of management. Any disputes will be handled at the time of unloading.

POV / CART SERVICE MAP & DIRECTIONS

SANDS EXPO CENTER

The Sands Expo Center has a limited amount of space for unloading P.O.V's. In an effort to provide the most efficient service and to help alleviate problems or frustration associated with P.O.V. Services, Freeman has secured a lot (see map) for staging, checking in, processing paperwork and determining if vehicles are qualified for P.O.V. Service. **Please note:** We anticipate that during peak periods wait time for this service can exceed 2-3 hours. We will do everything in our power to eliminate this wait time.

In addition to the limited amount of space available for unloading P.O.V's, the parking for the Sands Convention Center at the Venetian Hotel has very limited space for parking large vehicles including those pulling trailers. Please make arrangements prior to arriving in Las Vegas if you plan on bringing a vehicle and trailer.

IMPORTANT

P.O.V service will require one person to remain with the vehicle at all times. If an exhibitor would like to go to the booth while the freight is being unloaded, Freeman will require an additional person to remove the vehicle.

All orders are governed by the Freeman Payment Policy and the Limits of Liability and Responsibility.
