

JCK Industry Fund 2021 Submissions

Deadline: Friday, November 20, 2020

To apply please fill out this PDF form entirely, and submit this document to jckindustryfund@reedexpo.com. You may include an additional Word doc or PDF application with any answers that do not fit in the space provided below to: jckindustryfund@reedexpo.com.

About the Fund

The JCK Industry Fund's mission is to assess and prioritize grant requests from all sectors of the jewelry industry, and to invest those available funds to projects that will have the most sustainable impact to improve growth and health for the industry at large.

Who Should Apply

Companies, organizations and non-profit associations who have a project or initiative that will benefit the industry at large through commerce, development, consumer confidence, advancing business practices or diversity and inclusivity are invited to apply. Grants are given to companies and organizations who show the most need and will have the greatest impact. Past recipients include Jewelers of America, Jewelers Security Alliance, Diamonds Do Good, Responsible Jewellery Council among others.

Requirements

Recipients are chosen based upon their synergy with the overall core goals and intentions of the Fund, investing those available funds to projects that will have the most sustainable impact to improve growth and health for the industry at large.

Application Process

JCK Industry Fund Advisory Committee reviews all applications and selects final recipients. The Committee is comprised of representatives from the manufacturing and retail segment, as well as JCK. Winners are notified in early 2021 and a formal announcement listing the winners will be distributed.
