

JCK Industry Fund 2022 Submission Form

Deadline: Friday, November 19, 2021

About the Fund

The JCK Industry Fund's mission is to assess and prioritize grant requests from all sectors of the jewelry industry, and to invest available funds in projects that will have the most sustainable impact to improve growth and health for the industry at large.

Who Should Apply

Companies, organizations, and nonprofit associations who have a project or initiative that will benefit the industry as a whole through commerce, development, consumer confidence, advancing business practices, or diversity and inclusion, are encouraged to apply.

Requirements

Recipients are selected based upon their synergy with the core goals and intentions of the Fund.

- a) Applicants must provide the below information in a Word document or PDF, and email it to jckindustryfund@reedexpo.com on or before November 19, 2021.
- b) Applicants must clearly articulate how their project will align with, and execute on, the Fund's mission to drive a sustainable positive impact on the growth and health of the jewelry industry.
- c) Grants are prioritized to companies and organizations who show the most need and will have the greatest impact. Past recipients include Jewelers of America, Jewelers Security Alliance, Diamonds Do Good, Responsible Jewellery Council among others.

Application Process

The JCK Industry Fund Advisory Committee reviews all applications and selects final recipients. The Committee is comprised of representatives from the manufacturing and retail sectors, as well as JCK. Winners are notified in early 2022 and a formal announcement introducing the winners will be distributed.
