Use a ladder, not a chair. Standing on chairs, tables and other rental furniture is unsafe and can cause injury to you or to others. These objects are not designed to support your standing weight.

Be aware of your surroundings. You are in an active work area with changing conditions during move-in and move-out. Pay attention. Look for obstacles, and machinery and equipment that are in use.

Keep your eyes open for scooters and forklifts. The drivers of these vehicles may not be able to see you.

Stay clear of dock areas, trucks and trailers. These areas can be particularly dangerous.

Prevent electrical shocks, falling items and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for you booth. This can cause serious injury or damage to materials.

We discourage children from being in the exhibit hall during installation and dismantle. If children are present during installation and dismantle, they must be supervised by an adult at all times.

Freeman does not ship or handle Hazardous Materials. If any materials you are shipping to the event fall into this category, please contact Freeman to be sure that the material will be allowed at the facility and by the association. In addition, if authorized by the facility and the association, you will need to make separate arrangements for the transport and handling of the approved materials, since Freeman will not transport or handle them.

In an effort to ensure a successful show opening for JCK Las Vegas 2022, we are again enforcing the **Clean Floor Policy** this year. If you are working with an exhibit house, please discuss with them how this policy will affect their work schedule.

This will allow our General Service Contractor and our Cleaning Contractor sufficient time to complete the laying of aisle carpet and the overall cleaning of the exhibit hall as well as provide exhibitors the space to complete their booth set up by keeping the aisles clear.

Policy states:

JCK Exhibitors

All exhibitor materials must be tagged for removal (empty storage) by 3:00 p.m. on Wednesday, June 8, 2022.

All exhibits must be fully assembled by 5:00 p.m. on Wednesday, June 8, 2022.

If these items are not removed by this date and time, they will be tagged as empty and forced in to Access Storage at your expense. Please advise your EACs (subcontractors) regarding this policy.

There will be no exception to this policy. Any crates without empty or access storage labels will be tagged by the floor managers or the General Services contractor and will be removed from the exhibit hall whether they are full or empty. Interested in going green and saving money?

Follow these tips to make sure your sustainable booth strategies are cost-neutral or even cost-saving! Leave an impact on the show floor, not the environment.

1 BEFORE THE SHOW booth structure

Option 1 Multiple Use

Use **Forest Sustainable Certified (FSC)** wood to build your booth and crates.

Get creative! Design your booth with a **small shipping footprint** to minimize carbon emissions. Freeman's eye-catching stretch-fabric booth designs pack up small (and light!) for shipping.

Option 2 One-time Use

Rent locally from nearby Freeman offices to reduce both shipping costs and carbon emissions.

2 carpet

Option 1 Rent

Rent rather than buy carpet to save on shipping, cleaning, and storage. Freeman Classic carpet can be reused at least four times.

Option 2 Color

Use darker-colored carpet, which is easier to reuse and recycle. Freeman Classic dark-colored carpets are made of 20-50 percent recycled content.

3 shipping

Online + before deadline = better bottom line. Take advantage of early-bird pricing and consolidate shipping when ordering supplies.

Choose reusable shipping padding. Avoid packing peanuts and foam plastic materials that never decompose.

Ship early. Use the 30-day policy to ship materials to the Freeman advance warehouse.

4 graphics

Option 1 Multiple Use

Print on a durable substrate **without dates, event names, or locations.**

Option 2 One-time Use

Print on 100 percent recyclable materials like Freeman Honeycomb and Smartbuild Eco, which are just as cost-effective as PVC.

5 printing

Reduce printing and **go digital** with your booth literature.

Print locally. Supporting local businesses while reducing shipping? It's a win-win.

Print on at least **50 percent post-consumer recycled paper.**

6

ON SITE

save energy

Use Energy Star-rated equipment for audio-visual equipment and monitors.

Power down. Turn off equipment at the end of each day.

Light up your booth with CFLs, LEDs, or other energy-efficient lighting.

8

shipping out

Pack in, pack out.

Leave no traces on show site.

Join a caravan.

If you're shipping directly to another show, ask **Freeman Transportation about joining a caravan** to your next show.

9

leftover materials

Remember to label.

Clearly **label recyclable leftover material** for disposal.

Donate the rest.

Ask the Freeman Exhibitors Services desk about local donation programs.

SHOW # (508986) _____

WHAT ARE FREIGHT SERVICES?

As the official service contractor, Freeman is the exclusive provider of freight services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. It should not be confused with the cost to transport your exhibit material to and from the convention or event. You have two options for shipping your advance freight — either to the warehouse or directly to show site.

HOW DO I SHIP TO THE WAREHOUSE?

- We will accept freight beginning 30 days prior to show move-in.
- To check on your freight arrival, call Exhibitor Services at the location listed on the Quick Facts.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Quick Facts. Your freight will still be received after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday, except holidays. Refer to the Quick Facts for warehouse hours. No appointment is necessary.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets/pads. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.
- Warehouse freight will be delivered to the booth prior to exhibitor set up.

HOW DO I SHIP TO SHOW SITE?

- Freight will be accepted only during exhibitor move-in. Please refer to the Quick Facts for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.

WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- Collect shipments will be returned to the delivery carrier.
- To ensure that your freight does not arrive collect, mark your bill of lading “prepaid.”
- “Prepaid” designates that the transportation charges will be paid by the exhibitor or a third party.

HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, the booth number and the name of the event.
- The specific shipping address for either the warehouse or show site is located on the Quick Facts.

HOW DO I ESTIMATE MY MATERIAL HANDLING CHARGES?

- Charges will be based on the weight of your shipment. Each shipment received is billed individually. All shipments are subject to reweigh.
- On the Material Handling Form, locate the rate that applies to your shipment and multiply that rate by the weight of your shipment in pounds.
- The above services, whether used completely or in part, are offered as a package and the charges will be based on the total inbound weight of the shipment.

WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up “Empty Labels” at the Freeman Service Center. Once the container is completely empty, place a label on each container individually. Labeled empty containers will be picked up periodically and stored in non-accessible storage during the event.
- At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.

HOW DO I PROTECT MY MATERIALS AFTER THEY ARE DELIVERED TO THE SHOW OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

- Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- Each shipment must have a completed Material Handling Agreement in order to ship materials from the show. All pieces must be labeled individually.
- To save time, complete and submit the Outbound Shipping Form in advance, or you may contact the Freeman Service Center at show site for your shipping documents.
- Once we receive your outbound shipping information we will create your Material Handling Agreement and shipping labels. If the shipping information is provided in advance, the Material Handling Agreement will be delivered to your booth with your invoice. Otherwise the Material Handling Agreement and labels will be available for pick up at the Freeman Service Center.
- After materials are packed, labeled and ready to be shipped, the completed Material Handling Agreement must be turned in at the Freeman Service Center.
- Call your designated carrier with pick-up information. Please refer to the Quick Facts for specific dates, times, and address for pick up. In the event your selected carrier fails to show by the final move-out day, your shipment will be rerouted on Freeman's carrier choice at the exhibitor's expense.
- For your convenience, approved show carriers will be on site to book outbound transportation if you have not made arrangements in advance.

WHERE DO I GET A FORKLIFT?

- Forklift orders to install or dismantle your booth after materials are delivered may be ordered in advance or at show site. We recommend that you order in advance to avoid additional charges at show site. Refer to the Rigging Order Form for available equipment.
- Advance and show site orders for equipment and labor will be dispatched once a company representative signs the labor order at the Freeman Service Center.
- Start time is guaranteed only when equipment is requested for the start of the working day.

DO I NEED INSURANCE?

- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by riders to your existing policies.
- All materials handled by Freeman are subject to the Terms and Conditions, which can be found in the exhibit service manual or online at www.freeman.com.

POV & CART SERVICE

Freeman will provide Cart Service for your event. Cart Service is a feature for Privately Owned Vehicles (POVs) that meet the requirements below.

DEFINITION OF PRIVATELY OWNED VEHICLE:

Privately Owned Vehicles are defined as cars, pick-up trucks, vans and other trucks primarily designed for passenger use, not cargo or freight. Vehicles that do not qualify for this service, or that have material that requires mechanical assistance to unload, will be directed to the Freeman Marshalling Yard.

Workers equipped with a flat cart scooter will assist exhibitors with unloading. Each cart will handle a load approximately 3' wide x 4' long x 3' high. Freight must not exceed 300 lbs. For safety reasons, it will be the judgment of the freight supervisor if the load can go higher than 3 feet. Cart Service includes storage of empty cardboard/product boxes at no additional charge. Empty stickers for your cartons and cases will be provided for this service.

RATES:

This service is available at a round trip rate of \$181.25 per trip (from the dock to the booth and the booth to the dock).

DIRECTIONS:

- To receive this service, proceed directly to the facility and check in at the designated POV Check-In area for staging, checking in, processing paperwork and determining if vehicles are qualified for Cart Service. There will be signage posted to direct you.
- Two people must be with the vehicle - one to accompany the product to the booth and one to remove the vehicle from the area.
- The determination of Cart Service versus Material Handling will be made at the discretion of Freeman management. Any disputes will be handled at the time of unloading.

AVAILABILITY:

Cart Service will be available on the following dates and times:

VENETIAN EXPO & CONVENTION CENTER

The Venetian Expo & Convention Center has a limited amount of space for unloading P.O.V's. In an effort to provide the most efficient service and to help alleviate problems or frustration associated with P.O.V. Services, Freeman has secured a lot (see map) for staging, checking in, processing paperwork and determining if vehicles are qualified for P.O.V. Service. **Please note:** We anticipate that during peak periods wait time for this service can exceed 2-3 hours. We will do everything in our power to eliminate this wait time.

In addition to the limited amount of space available for unloading P.O.V's, the parking for the Venetian Expo & Convention Center at the Venetian Hotel has very limited space for parking large vehicles including those pulling trailers. Please make arrangements prior to arriving in Las Vegas if you plan on bringing a vehicle and trailer.

IMPORTANT

P.O.V service will require one person to remain with the vehicle at all times. If an exhibitor would like to go to the booth while the freight is being unloaded, Freeman will require an additional person to remove the vehicle.

All orders are governed by the Freeman Payment Policy and the Limits of Liability and Responsibility.

HAND CARRY INFORMATION

Exhibitors may hand carry their own materials into the exhibit space, provided they do not use material handling equipment to assist them. Two-wheel luggage/suitcase is acceptable; hand carts and any four-wheel cart or dolly is prohibited. Access to the loading dock and/or freight doors is prohibited.

If exhibitors want to hand carry their items into the exhibit hall, the only Hand Carry Unload Area is in front of the Venetian Expo & Convention Center, accessible from Sands Avenue, utilizing the glass doors on Level 1.

If you go directly to the freight entrance or loading docks, you will be turned away or charged the published Material Handling rates. Exhibitors are not allowed to unload their own vehicles at the freight entrance or loading docks or drive their own vehicles into the exhibit hall to unload.

Hand carry unloading is provided for exhibitors with a small amount of exhibit product that they need to get in to the exhibit hall. Parking in the Hand Carry Unloading Area is limited to 30 minutes from the time a vehicle enters the area. **Vehicles left beyond 30 minutes will be towed at the Exhibitor's expense.** Only vehicles that qualify (see below) will be allowed in the Hand Carry Unloading Area. If Client's account remains in default for (60) days after the date of the invoice, goods may be subject to sale as outlined in this Agreement. In the event of any dispute between the Client and Freeman relative to any loss, damage, or claim, Client shall not be entitled to and shall not withhold payment, or any partial payment, due to Freeman for its services, as an offset against the amount of any alleged loss or damage. Freeman is expressly given an additional lien on the goods stored by Client for all such costs, expenses, and attorney fees. Freeman shall have a lien on any and all property deposited with it at any time. All goods deposited on which storage or other charges including handling charges are not paid when due may be sold at public or private sale to pay such accrued charges, together with expenses of the sale, after notice to Client or other interested persons of the manner, time, and place of the sale and the amount of the accrued charges as may be required by law. Freeman shall only be liable for any loss or injury to the goods caused by its failure to exercise such care as a reasonable, careful owner of similar goods would exercise, subject to the limitation on damages. Freeman does not represent or warrant that its buildings or the contents of such buildings cannot be destroyed by fire. If changed, the Client may terminate this agreement on the effective date of the change by giving Freeman ten (10) days prior written notice to terminate. If the client does not give such notice, the change shall become effective and apply to the Client's occupancy. Either party reserves the right to terminate the storage of the goods at any time by giving to the other party thirty (30) days written notice of its intention to do so. Unless Client removes such goods within that period, Freeman shall have the right to deliver such goods to Client at the address on file at Client's expense. CUSTOMER GUIDELINES FOR SUBMITTING GRAPHICS ARTWORK

Our goal is to provide you with the best possible quality graphics for your event or exhibit. You can help us in that effort by providing digital art files using the following guidelines. If you are sending us completed, print-ready files, please pass the following information on to your graphics designer or art department. Artwork must be submitted in the proper resolution and/or file size to produce quality images. Please provide proper color matching information and proofs to ensure accurate color reproduction.

PLEASE PROVIDE THE FOLLOWING WHEN SUBMITTING ART

RASTER ART (photos, logos containing any continuous tone images):

- Art submitted at 1:1 (100%), resolution should be no less than 60 dpi (100 dpi preferred)
- Art submitted at 2:1 (50%), resolution should be no less than 120 dpi (200 dpi preferred)
- Art submitted at 4:1 (25%), resolution should be no less than 240 dpi (400 dpi preferred)

VECTOR ART:

- Logos should be vector and have outlined fonts (if provided as bitmap, please use high-res images)

FONTS and LINKS

- Supply all fonts used in your design (zip Mac fonts). If unsure how to collect fonts, convert them to outlines
- Supply all links used in your document. Use packaging feature if available. If unsure how to collect links, embed them in the file when saving.

COLOR

- If PMS color matching is required, please use original Pantone + Solid Coated swatches in your artwork. Modifying Pantone names will result in printing default color (CMYK)
- CMYK artwork will be produced "As Is". Our color output is balanced and vibrant.
- Convert RGB art to CMYK if possible.
- If you are sending Certified Color Proofs (Gracol, Swop, Fogra), please provide ICC file information used to print your samples. Best option would be to include ICC chart on your prints.

ARTWORK IN THE STRUCTURE

- Please note that any panels going in the metal frame will hide 1/4" of your art all the way around. If you have a continuous wall where individual panels are divided by metal, use 1.25" spacing in between each panel to account for gaps and the natural flow of the graphics.

ACCEPTABLE FILE SOFTWARE

We are capable of working with both PC and MAC based software, and can accept art created with the ADOBE Creative Suite - Illustrator, InDesign, and Photoshop

Always provide the following:

- Native files with fonts and links (zipped)
- High-res PDF-X/4 exports of the files

ACCEPTABLE FILE TYPES and SUPPORT FILES

- INDD file with Packaged supporting links and fonts

PRINT FILES:

RASTER OR BITMAP ART:

- Photoshop EPS (preferred, use 8-bit preview, Max, Quality JPG compression)
- PSD (make sure font layers are rasterized)
- TIFF, JPG (quality 8 and higher)

Mac users: Use Zip or Stuffit programs when submitting fonts other than OTF (Open Type Fonts)

- Total value of shipment

All commercial invoices should mention that the shipment consists of exhibition goods to be exhibited at the show and whether the goods are for temporary or permanent importation. Temporary and permanent shipments can not be consolidated and shipped under the same bill of lading. Separate bills of ladings and invoices must be issued. All goods intended for sale in the United States are subject to normal customs duty and taxes.

INTERNATIONAL SMALL PACKAGE SHIPMENTS

Small package shipments are defined as shipments less than 50 kgs. Successful customs clearance and delivery of international small package shipments can be a challenge. To reduce delays, additional expenses and possible non delivery of your shipment, we recommend exhibitors utilize our door-to-door delivery services. In conjunction with our overseas agents, our staff arranges the transportation from origin, the customs clearance, and the delivery of your small package shipment to the show at a competitive price. Please contact us to discuss the best method for handling your small package shipment.

Invoices for services rendered on inbound movements are payable prior to delivery of freight to the exhibition center through our designated agents or directly to PIBL. Phoenix accepts cash, American Express or traveler's checks.

TERMS OF FREIGHT ACCEPTANCE

All freight shipments must be shipped to the U.S. on a prepaid basis.

TERMS AND CONDITIONS OF SERVICE

In order to assure timely delivery to show site, freight and documents must arrive in the U.S. between 8 - 10 days prior to your move in date. A late surcharge will be applied to all shipments arriving within 5 working days of the show set-up.

US/CANADIAN BORDER CROSSINGS

Canadian exhibitors seeking to export exhibit materials to the U.S. should be advised that U.S. Customs will require an IRS identification number for the entry of these shipments to the U.S. If your organization does not have an IRS number, your U.S. Customs broker has the capability to file and receive a temporary IRS number on your behalf. Failure to provide this number to the U.S. Broker at the border crossing will result in delays. Show Management cannot provide their tax identification number to exhibitors as the importer of record must be the name of the exhibitor or a distributor representing the exhibitor.

Exhibitor's expecting problems with border clearances should contact PIBL at 908-355-8900. For a fee, PIBL is prepared to clear your merchandise at the border or in Las Vegas using their IRS number as the ultimate consignee. Please contact them in advance to discuss document requirements.

RESTRICTIONS ON WOOD PACKING MATERIAL

The United States Department of Agriculture (USDA) Animal and Plant Health Inspection Service (APHIS) has revised its import regulation for wood packaging materials (WPM), 7 CFR § 319. The final rule was effective September 16, 2006 with full enforcement began July 5, 2006.

The regulation restricts the importation of many types of untreated wood articles, including wooden packaging materials such as pallets, crates, boxes, and pieces of wood used to support or brace cargo. The regulations currently refer to these types of wood packaging materials as solid wood packing materials, defined as "wood packing material other than loose wood packing material, used or for use with cargo to prevent damage, including, but not limited to, dunnage, crating, pallets, packing blocks, drums, cases, and skids." Any WPM not meeting the treatment specifications of this rule will be immediately re-exported.

The rule states that regulated wood packaging materials must be marked in a visible location on each article, preferably on at least two opposite sides of the article, with a legible and permanent mark that indicates that the article meets the new requirements. Paper treatment certificates will continue to be accepted until July 5, 2006. Should you have any questions regarding the wood packing material used for your exhibit, please consult your local Phoenix agent, in house freight forwarder, or packing and crating company. Additional information on this subject can be found on the USDA Website: <http://www.aphis.usda.gov/lpa/issues/wpm/wpm.html>
