STANDARD SAFE PLACEMENT INSTALLATION

Email to: JCKsafereedexpo.com

Required safe placement selection below or Exhibitor may submit a booth plan which indicates the position of rental safe(s). Rolland also accepts professional exhibit contractor plan, hand drawn plan (as long as all walls, rooms, furniture, etc. are included) or use diagram below to indicate standard safe installation position.

Circle your choice of position on the diagram to indicate the placement of your safe.

Special Safe Placement Instructions _____

SAFE RENTAL TERMS: Submit Safe Position Plan To: safereentals@rollandsolutions.com

SAFE INSTALLATION PROCEDURES: A detailed booth plan showing positioning of your rental safe (or safes) is no later than 4-22-22.

We accept any of the following plans:

- Option 1: A professional exhibit contractor plan (i.e. Freeman, EFI, Syma, etc.)
- Option 2: A hand-drawn plan, indicating all walls, enclosed rooms, doors, furniture, and potential obstacles. Indicate the front, sides and back boundaries of the booth.
- Option 3: Rolland Standard Safe Placement Installation Plan.
 - ALL PLANS must show the position of the safe with the door side indicated.

AVOID RE-INSTALLATION CHARGES: If safe position changes, email safereentals@rollandsolutions.com. Safes are installed several days in advance of Exhibitor Set Up Date. If Exhibitor requests repositioning of safe, after initial approved placement *period*, there will be a minimum additional labor charge of \$200.00. JCK Las Vegas will invoice Exhibitor for the labor charge.

INSURANCE COMPLIANCE: Exhibitors are solely responsible for insuring their show inventory. Rolland Safe Company and JCK Las Vegas do not provide insurance coverage. The safe program has been reviewed and approved by most jewelry insurance companies. Each of the rental safe options fall into one of two distinct security levels with different insurance coverage limits:

- UL-rated TL30 Burglary rating – High Security Safe
- Non-UL rated “Class B” – Medium Security Safe.

Individual insurance policies have different coverage parameters for trade shows and specific safe models. Rolland Safe Company and JCK Las Vegas strongly advise you to **consult with your insurance carrier PRIOR** to submitting your order to determine which security level is in compliance with your individual show insurance coverage.

As the authorized representative of the listed company, I confirm that the above safe rental placement(s) is correct and I accept the rental conditions as stated on my JCK Safe Rental Agreement submitted to Reed Exhibition Companies.
