### **HELPFUL HINTS**

#### **SAVE MONEY**

Order early on [FreemanOnline](#) to take advantage of advance order discount rates, place your order by Monday, May 1, 2023.

#### **AVOID DELAY**

Ship early to avoid delays. Shipments arriving late at show site will cost you money, time and business!

#### **SAFETY TIPS**

Use a ladder, not a chair. Standing on chairs, tables and other rental furniture is unsafe and can cause injury to you or to others. These objects are not designed to support your standing weight.

Be aware of your surroundings. You are in an active work area with changing conditions during move-in and move-out. Pay attention. Look for obstacles, and machinery and equipment that are in use.

Keep your eyes open for scooters and forklifts. The drivers of these vehicles may not be able to see you.

Stay clear of dock areas, trucks and trailers. These areas can be particularly dangerous.

Prevent electrical shocks, falling items and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for you booth. This can cause serious injury or damage to materials.

We discourage children from being in the exhibit hall during installation and dismantle. If children are present during installation and dismantle, they must be supervised by an adult at all times.

Freeman does not ship or handle Hazardous Materials. If any materials you are shipping to the event fall into this category, please contact Freeman to be sure that the material will be allowed at the facility and by the association. In addition, if authorized by the facility and the association, you will need to make separate arrangements for the transport and handling of the approved materials, since Freeman will not transport or handle them.

The operation or use of all motorized lifts and motorized material handling equipment for installation/dismantle of exhibits is NOT permitted by exhibitors or by their exhibitor appointed contractors (EACs). Thank you for your cooperation

Call Exhibitor Support at (888) 508-5054 with any questions or needs you may have.

## PRODUCT DAY CLEAN FLOOR POLICY

In an effort to ensure a successful show opening for JCK Las Vegas 2023, we are again enforcing the **Clean Floor Policy** this year. If you are working with an exhibit house, please discuss with them how this policy will affect their work schedule.

This will allow our General Service Contractor and our Cleaning Contractor sufficient time to complete the laying of aisle carpet and the overall cleaning of the exhibit hall as well as provide exhibitors the space to complete their booth set up by keeping the aisles clear.

### Policy states:

#### JCK Exhibitors

**All exhibitor materials must be tagged for removal (empty storage) by 3:00 p.m. on Wednesday, May 1, 2023.**

**All exhibits must be fully assembled by 5:00 p.m. on Wednesday, May 1, 2023.**

#### GEMS Exhibitors

**All exhibitor materials must be tagged for removal (empty storage) by 3:00 p.m. on Tuesday, May 30, 2023.**

**All exhibits must be fully assembled by 5:00 p.m. on Tuesday, May 30, 2023.**

**All crates, containers, ladders and tool boxes MUST be removed and no booth construction will be permitted after this date and time. If these items are not removed by this date and time, they will be tagged as empty and forced in to Access Storage at your expense. Please advise your EACs (subcontractors) regarding this policy.**

**There will be no exception to this policy.** Any crates without empty or access storage labels will be tagged by the floor managers or the General Services contractor and will be removed from the exhibit hall whether they are full or empty. Exhibitors may request crates to be returned to their booth at exhibitors' expense.

Thank you for your cooperation. We look forward to working with you to ensure a successful JCK Las Vegas 2023!

## Interested in going green and saving money?

Follow these tips to make sure your sustainable booth strategies are cost-neutral or even cost-saving! Leave an impact on the show floor, not the environment.

### 1 *booth structure*

#### Option 1 Multiple Use

Use **Forest Sustainable Certified (FSC)** wood to build your booth and crates.

Get creative! Design your booth with a **small shipping footprint** to minimize carbon emissions. Freeman's eye-catching stretch-fabric booth designs pack up small (and light!) for shipping.

#### Option 2 One-time Use

Rent locally from nearby Freeman offices to reduce both shipping costs and carbon emissions.

### 2 *carpet*

#### Option 1 Rent

Rent rather than buy carpet to save on shipping, cleaning, and storage. Freeman Classic carpet can be reused at least four times.

#### Option 2 Color

Use darker-colored carpet, which is easier to reuse and recycle. Freeman Classic dark-colored carpets are made of 20-50 percent recycled content.

### 3 *shipping*

**Online + before deadline = better bottom line.** Take advantage of early-bird pricing and consolidate shipping when ordering supplies.

**Choose reusable shipping padding.** Avoid packing peanuts and foam plastic materials that never decompose.

**Ship early.** Use the 30-day policy to ship materials to the Freeman advance warehouse.

### 4 *graphics*

#### Option 1 Multiple Use

Print on a durable substrate **without dates, event names, or locations.**

#### Option 2 One-time Use

Print on 100 percent recyclable materials like Freeman Honeycomb and Smartbuild Eco, which are just as cost-effective as PVC.

### 5 *printing*

Reduce printing and **go digital** with your booth literature.

**Print locally.** Supporting local businesses while reducing shipping? It's a win-win.

Print on at least **50 percent post-consumer recycled paper.**

6

## ON SITE

### save energy

**Use Energy**

## 2023 Visual Branding Guidelines

### IMPORTANT! PLEASE READ CAREFULLY!

The JCK Visual Branding Guidelines have been developed and implemented to improve the aesthetic and organization of the Show Floor—making it easier for the JCK Buyer to navigate, while providing the JCK Exhibitor the forum to promote their brand and/or product line. The guidelines were developed by exhibitors and a sub-committee of the JCK Advisory Board that is made up of retailers, manufacturers and industry professionals.

The following are the standards and guidelines for the 2023 JCK Show. Please read this document carefully. An acknowledgment of the guidelines in this document is required by your signature.

### Booth Displays and Custom Booths

All custom booth designs and graphics, whether new or re-purposed from a previous JCK Show, must be approved by the JCK Show Management team.

- Custom booth displays that you own or rent, must be approved by JCK Show Management prior to **April 7, 2023**.
- Images of the custom booth you plan to bring along with height measurements and EAC information must be submitted to [jckbooth@reedexpo.com](mailto:jckbooth@reedexpo.com) for approval. JCK Show Management reserves the right to not approve booths that do not meet the new visual branding guidelines set forth for the show and require a standard booth build instead.
- Custom booths are **not** pop-up booths.
- Booths cannot have pricing on them and must present themselves well.
- Custom booths **are not permitted in the Design Collective**, as they have their own unique booth build.
- Custom booths must fit within the height requirements of your neighborhood and level.

## 2023 Visual Branding Guidelines

### Sponsorships and Signage

(This includes, but is not limited to: signage, registration distribution, hostess handouts, and/or any sponsored lounges)

- Promotions of neighborhoods are encouraged and allowed. Only the owner of a brand or legal U.S. distributor may exhibit and/or promote via promotional signage such brand at the 2023 show. This means you can't have a picture of a brand on your signage if you don't own it or have the legal U.S. distributor rights.
- Cartoon characters are not allowed on any sponsorship throughout the building.
- Sponsorships containing terms such as discounts, hot deals, blow out sale, etc. are not allowed. Pricing will be reviewed with regard to the artwork and positioning of the signage.
- Any artwork that is sexually explicit or suggestive will be reviewed closely by the committee.
- Promotion of any other trade event is prohibited.
- If you don't submit approved artwork by deadline, you are still under the terms of your agreement.
- Correct usage of updated JCK logo found [here](#).

***\*Show management reserves the right to remove sponsorships or signage that do not follow these guidelines.***

**REED EXHIBITIONS**  
**IP ISSUES AND PROCEDURES**

Dear Exhibitor,

We respect the Intellectual Property (“IP”) rights of all of our exhibitors and take these matters very seriously. Please review this document in its entirety and follow the procedures outlined below so that we may efficiently and effectively react to your IP claim against another exhibitor.

**Please provide the following items in an electronic (PDF) format only and E-mail to Matthew Kunkes ([matthew.kunkes@relx.com](mailto:matthew.kunkes@relx.com)):**

- A.) A letter or e-mail showing that you have already reached out to the exhibitor concerning the alleged infringing item (the “Accused”).
- B.) The U.S. Patents, U.S. Trademark Registrations or U.S. Copyright Registrations in question, and proof that such rights are currently effective.
- C.) Contact information (e-mail address) of your designated representative authorized to act on your behalf at the Venue/Exhibition.

**Because photos are not allowed onsite, Management will radio a Staff member closest to the Accused booth to take photos of the alleged infringing product/materials:**

- D.) Photos of products or copies of materials being shown at the Exhibition.

Please allow Management at least 24 hours to review and act, as appropriate, in the sole discretion of Management, on the evidence you provide and to respond with the steps, if any, Management intends to take.

Respectfully,

Management

## **IP Issues**

Management respects the Intellectual Property (“IP”) rights of others and expects all exhibitors to do the same. In connection with the exhibitions managed by Reed Exhibitions, the following points apply:

1. Management is not and will not act as an arbiter of the existence of valid and subsisting rights in intellectual property of a complaining exhibitor.
2. Management is not and will not become an enforcement agent or representative relating to the alleged intellectual property rights of any exhibitor.
3. The role of Management is strictly to try to protect the integrity and peace of the Venue/Exhibition and to preserve the Exhibition environment in a manner to allow all exhibitors the opportunity to receive the benefit of their exhibits.
4. Management will cooperate and act consistently with any duly issued court order, writ, judgment or injunction against an exhibitor. In so acting, Management is a neutral party and Management’s presence during service of any court issued documents during the Exhibition is strictly for the purpose of carrying out Management’s responsibility to try to protect the integrity and peace of the Exhibition.
5. Management will acknowledge existing Federally recognized rights (such as U.S. Patents, U.S. Trademark Registrations and U.S. Copyright Registrations) where proof of the current validity of these rights is provided by the Exhibitor/IP Rights Holder to Management, and will assist in communicating those asserted rights to another exhibitor alleged to be in violation of these rights.
6. Management may take steps which, in its sole discretion, are believed reasonable and appropriate to try to achieve an accommodation and/or resolution of IP rights issues between exhibitors.
7. Management reserves the right to ask an exhibitor, against whom another exhibitor has raised a complaint of infringement of Federally recognized IP rights, to produce appropriate documentation reflecting the right or license of the exhibitor to display and market any complained of product(s) or material(s).
8. Management will, when it is deemed reasonable and appropriate in its sole discretion, ask (and possibly insist) that an exhibitor remove items or materials from that exhibitor’s booth only where the asserted Federal rights, after being shown to Management to be currently subsisting, clearly cover the items or materials of the alleged infringing exhibitor in the reasonable judgment of Management.
9. Exhibitors claiming ownership of IP Rights that are allegedly being infringed by another exhibitor agree to follow the IP Procedures.
10. Management shall designate for the Exhibition/Venue site an IP Ombudsperson who shall have the authority to deal with intellectual property issues arising at the Show on behalf of Management, consistent with the IP Procedures.

## **IP Procedures**

These IP Procedures shall be followed in connection with any perceived violations of IP rights of one exhibitor by another at the Exhibition. However, exhibitors are advised that Management will not interpret claims of a utility patent, interpret the scope of protection for a registered trademark or registered copyright, or specifically make any judgments as to the sufficiency of disclosures in patents, the validity of any patents, likelihood of confusion between different marks, fame of a mark, dilution of a mark, fair use of another's mark, priority of rights in a mark, what amounts to a substantial taking of a copyrighted work or what is a fair use of a copyrighted work.

1. Complainant will approach and/or communicate with the Management's designated IP Ombudsperson for the Venue/Exhibition and provide the following:
  - A.) Evidence that the IP rights issue has been communicated by the Complainant to the representative(s) of the allegedly infringing exhibitor – either before the Exhibition or during the Exhibition;
  - B.) Evidence to support the claimed Federally recognized rights, that is, clean and clear copies of the U.S. Patents, U.S. Trademark Registrations or U.S. Copyright Registrations in question, and proof that such rights are currently subsisting;
  - C.) Evidence as to the products and/or materials being used by the allegedly infringing exhibitor at the Exhibition which are asserted to be covered by the Federally recognized rights – this may be clear photos of products or copies of materials being shown at the Exhibition (photos of products from other locations besides the Exhibition or pictures from websites will not suffice); and
  - D.) Contact information for a designated representative of the Complainant authorized to act on Complainant's behalf at the Venue/Exhibition.
2. Complainant will allow Management at least 24 hours to review and act, as appropriate in the sole discretion of Management, on the evidence provided by Complainant and to respond to Complainant with the steps, if any, Management intends to take.

## **DEFINITION**

An Exhibitor Appointed Contractor (EAC) is any company other than one of the designated official contractors which an exhibitor wants to employ inside the exhibit hall before, during (by special pass and/or wristband), or after the show (Union Rules and Regulations apply). No permission to use an Exhibitor Appointed Contractor will be given for the performance of the following services:

- Electrical, Plumbing & All Other Utilities
- Drayage / Forklift Operations
- Booth Cleaning and vacuuming
- **NO OUTSIDE SECURITY OF ANY KIND.**
- Telephone / Communications
- Rigging - Overhead or Genie Lift
- Catering / Food Service

## **HOW TO GET AUTHORIZATION TO USE AN EXHIBITOR APPOINTED CONTRACTOR**

(JCK LV 2023) All booth set up and tear down labor must be properly hired Union Labor.

The four principal steps to get authorization to use an Exhibitor Appointed Contractor are:

1. EXHIBITOR **must submit the online EAC** form provided to Show Management, by the deadline date of **April 28, 2023**. No approvals will be granted for requests received after the deadline.
2. Show Management will send the EAC Agreement, sample certificate of insurance, EAC Code of Conduct, invoice and or the Schedule A to the specified EAC.
3. The EAC will be required to return to Show Management the executed **EAC Agreement, EAC Code of Conduct and EAC Memorandum** along with the proper EAC fees and insurance documents by the deadline date of **May 12, 2023**.
4. The EAC **MUST BE** in good standing with Show Management before the approval process begins.

## **THIRD PARTY INVOICE BILLING RULES, REGULATIONS AND PRODEDURES**

**IN ORDER TO ASSIST THE EXHIBITOR IN VERIFYING THE ACCURACY OF THEIR EXPENSES, A COPY OF THE ORIGINAL INVOICE, IS REQUIRED BY SHOW MANAGEMENT, TO BE SENT TO THE EXHIBITOR OF RECORD FOLLOWING THE CLOSE OF THE SHOW.**

## **WE WILL NOT ACCEPT**

- Letters, telephone calls or submissions in any other form.
- Submissions in any form directly from 3<sup>rd</sup> party vendors/contractors.

## **WRISTBAND REQUIREMENTS FOR EXHIBITOR APPOINTED CONTRACTORS**

1. Each individual affiliated with the EAC must wear a correct wristband, prepared and distributed by Show Management. The EAC wristband must be worn all times during move-in and move-out.
2. The process for EAC wristbands will be sent directly to the EAC by Show Management with instructions on how-to pick-up wristbands onsite with a copy of a valid ID (driver's license, passport, etc.).
3. EAC personnel who require access during show hours must request a show day wristband a minimum of one day prior to the opening of the show. Proper attire must be worn at all times.
4. EAC wristbands are NOT transferable and must be worn at all times on the wrist. Floor managers will spot check all EAC for adherence to this policy and lost EAC wristbands need to be reported to Show Management immediately. Violation of this policy will result in the termination of the EAC agreement with Show Management and all fees paid by EAC will be forfeited accordingly.
5. EAC must refrain from the use of and access to all public areas and are strictly confined to exhibit floor access during move-in and move-out.

Each year, more and more trade show related services are being performed by Exhibitor Appointed Contractors (EAC). We recognize that each exhibitor selects those vendors that they believe will best serve their needs before, during, and after the show. If an exhibitor chooses to employ an EAC we are happy to have them on the show floor, as long as they conform to the rules and regulations of the show and they must also be wearing proper picture ID.

However, along with the growing number of EAC on the show floor, have come numerous added expenses - legal costs resulting from an increase in liability claims, hall damage, excess cleaning charges, and extra administration costs for wristbands, contracting, insurance tracking, etc.

Rather than pass on these added costs to all exhibitors, including those who do not use EAC, we have implemented a formal fee system for Exhibitor Appointed Contractors. Each EAC hired by an exhibiting company must sign an agreement and will be assessed a fee. The fee structure consists of two components and applies to all contractors regardless of the service they provide (labor or supervising).

The first component of the fee is a fixed cost of **\$175.00** per EAC regardless of the number of booths being serviced. The second component is a minimal fee which will be assessed to each EAC per square foot for **each booth that the EAC has been hired as the install and dismantle labor. IN THE EVENT THE EAC OF RECORD FOR THE BOOTH, HIRES NON-OFFICIAL SUB-EAC A FEE OF \$145.00 PER NON-OFFICIAL SUB-EAC WILL APPLY. FURTHERMORE, THE SUB-EAC MUST BE IDENTIFIED TO SHOW MANAGEMENT BY THE EAC OF RECORD AND FOLLOW ALL RULES AND REGULATIONS OUTLINED IN THE EXHIBITOR MANUAL.**

JCK LV 2023, this rate is .15¢ per square foot of exhibit space.

EAC PROGRAM FEE STRUCTURE			
Component #1 - \$175.00 per EAC			
Component #2 - see table below for sample fees (Sample fees based on .15¢ per gross sq. ft.)			
Booth Size (Total sq. ft.)	Fee	Booth Size (total sq. ft.)	Fee
100	\$ 15.00	600	\$ 90.00
200	\$ 30.00	700	\$ 105.00
300	\$ 45.00	800	\$ 120.00
400	\$ 60.00	900	\$135.00
500	\$ 75.00	1000	\$150.00

NOTE: The above table shows examples of the fee for some common booth sizes.  
If the booth size is not listed, you can determine the fee that your EAC will be charged by multiplying the total number of square feet by .15 **+ Component #1.**

We can not accept requests from the 3<sup>rd</sup> party vendor only from the exhibitor.

# WHAT ARE FREIGHT SERVICES?

.....

As the official service contractor, Freeman is the exclusive provider of freight services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. It should not be confused with the cost to transport your exhibit material to and from the convention or event. You have two options for shipping your advance freight — either to the warehouse or directly to show site.

## HOW DO I SHIP TO THE WAREHOUSE?

- We will accept freight beginning 30 days prior to show move-in.
- To check on your freight arrival, call Exhibitor Services at the location listed on the Quick Facts.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Quick Facts. Your freight will still be received after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday, except holidays. Refer to the Quick Facts for warehouse hours. No appointment is necessary.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets/pads. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.
- Warehouse freight will be delivered to the booth prior to exhibitor set up.

## HOW DO I SHIP TO SHOW SITE?

- Freight will be accepted only during exhibitor move-in. Please refer to the Quick Facts for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.

## WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- Collect shipments will be returned to the delivery carrier.
- To ensure that your freight does not arrive collect, mark your bill of lading “prepaid.”
- “Prepaid” designates that the transportation charges will be paid by the exhibitor or a third party.

## HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, the booth number and the name of the event.
- The specific shipping address for either the warehouse or show site is located on the Quick Facts.

## HOW DO I ESTIMATE MY MATERIAL HANDLING CHARGES?

- Charges will be based on the weight of your shipment. Each shipment received is billed individually. All shipments are subject to reweigh.
- On the Material Handling Form, locate the rate that applies to your shipment and multiply that rate by the weight of your shipment in pounds.
- The above services, whether used completely or in part, are offered as a package and the charges will be based on the total inbound weight of the shipment.

## WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up “Empty Labels” at the Freeman Service Center. Once the container is completely empty, place a label on each container individually. Labeled empty containers will be picked up periodically and stored in non-accessible storage during the event.
- At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.

## HOW DO I PROTECT MY MATERIALS AFTER THEY ARE DELIVERED TO THE SHOW OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

- Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

## HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- Each shipment must have a completed Material Handling Agreement in order to ship materials from the show. All pieces must be labeled individually.
- To save time, complete and submit the Outbound Shipping Form in advance, or you may contact the Freeman Service Center at show site for your shipping documents.
- Once we receive your outbound shipping information we will create your Material Handling Agreement and shipping labels. If the shipping information is provided in advance, the Material Handling Agreement will be delivered to your booth with your invoice. Otherwise the Material Handling Agreement and labels will be available for pick up at the Freeman Service Center.
- After materials are packed, labeled and ready to be shipped, the completed Material Handling Agreement must be turned in at the Freeman Service Center.
- Call your designated carrier with pick-up information. Please refer to the Quick Facts for specific dates, times, and address for pick up. In the event your selected carrier fails to show by the final move-out day, your shipment will be rerouted on Freeman's carrier choice at the exhibitor's expense.
- For your convenience, approved show carriers will be on site to book outbound transportation if you have not made arrangements in advance.

## WHERE DO I GET A FORKLIFT?

- Forklift orders to install or dismantle your booth after materials are delivered may be ordered in advance or at show site. We recommend that you order in advance to avoid additional charges at show site. Refer to the Rigging Order Form for available equipment.
- Advance and show site orders for equipment and labor will be dispatched once a company representative signs the labor order at the Freeman Service Center.
- Start time is guaranteed only when equipment is requested for the start of the working day.

## DO I NEED INSURANCE?

- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by riders to your existing policies.
- All materials handled by Freeman are subject to the Terms and Conditions, which can be found in the exhibit service manual or online at [www.freeman.com](http://www.freeman.com).

Valuable shipments should only be sent through the armored car services that are contracted by show management.**

Additional charges may apply.

## POV & CART SERVICE

Freeman will provide Cart Service for your event. Cart Service is a feature for Privately Owned Vehicles (POVs) that meet the requirements below.

### DEFINITION OF PRIVATELY OWNED VEHICLE:

Privately Owned Vehicles are defined as cars, pick-up trucks, vans and other trucks primarily designed for passenger use, not cargo or freight. Vehicles that do not qualify for this service, or that have material that requires mechanical assistance to unload, will be directed to the Freeman Marshalling Yard.

Workers equipped with a flat cart scooter will assist exhibitors with unloading. Each cart will handle a load approximately 3' wide x 4' long x 3' high. Freight must not exceed 300 lbs. For safety reasons, it will be the judgment of the freight supervisor if the load can go higher than 3 feet. Cart Service includes storage of empty cardboard/product boxes at no additional charge. Empty stickers for your cartons and cases will be provided for this service.

### RATES:

This service is available at a round trip rate of \$188.50 per trip (from the dock to the booth and the booth to the dock).

### DIRECTIONS:

- To receive this service, proceed directly to the facility and check in at the designated POV Check-In area for staging, checking in, processing paperwork and determining if vehicles are qualified for Cart Service. There will be signage posted to direct you.
- Two people must be with the vehicle - one to accompany the product to the booth and one to remove the vehicle from the area.
- The determination of Cart Service versus Material Handling will be made at the discretion of Freeman management. Any disputes will be handled at the time of unloading.

## POV & CART SERVICE MAP & DIRECTIONS

### VENETIAN EXPO & CONVENTION CENTER

The Venetian Expo & Convention Center has a limited amount of space for unloading P.O.V.'s. In an effort to provide the most efficient service and to help alleviate problems or frustration associated with P.O.V. Services, Freeman has secured a lot (see map) for staging, checking in, processing paperwork and determining if vehicles are qualified for P.O.V. Service. **Please note:** We anticipate that during peak periods wait time for this service can exceed 2-3 hours. We will do everything in our power to eliminate this wait time.

In addition to the limited amount of space available for unloading P.O.V.'s, the parking for the Venetian Expo & Convention Center at the Venetian Hotel has very limited space for parking large vehicles including those pulling trailers. Please make arrangements prior to arriving in Las Vegas if you plan on bringing a vehicle and trailer.

### IMPORTANT

P.O.V service will require one person to remain with the vehicle at all times. If an exhibitor would like to go to the booth while the freight is being unloaded, Freeman will require an additional person to remove the vehicle.

All orders are governed by the Freeman Payment Policy and the Limits of Liability and Responsibility.

#### Location:

Exhibitors may hand carry their own materials into the exhibit space, provided they do not use material handling equipment to assist them. Two-wheel luggage/suitcase is acceptable; hand carts and any four-wheel cart or dolly is prohibited. Access to the loading dock and/or freight doors is prohibited.

If exhibitors want to hand carry their items into the exhibit hall, the only Hand Carry Unload Area is in front of the Venetian Expo & Convention Center, accessible from Sands Avenue, utilizing the glass doors on Level 1.

## CUSTOMER GUIDELINES FOR SUBMITTING GRAPHICS ARTWORK

*Our goal is to provide you with the best possible quality graphics for your event or exhibit. You can help us in that effort by providing digital art files using the following guidelines. If you are sending us completed, print-ready files, please pass the following information on to your graphics designer or art department. Artwork must be submitted in the proper resolution and/or file size to produce quality images. Please provide proper color matching information and proofs to ensure accurate color reproduction.*

### PLEASE PROVIDE THE FOLLOWING WHEN SUBMITTING ART

**RASTER ART** (photos, logos containing any continuous tone images):

- Art submitted at 1:1 (100%), resolution should be no less than 60 dpi (100 dpi preferred)
- Art submitted at 2:1 (50%), resolution should be no less than 120 dpi (200 dpi preferred)
- Art submitted at 4:1 (25%), resolution should be no less than 240 dpi (400 dpi preferred)

**VECTOR ART:**

- Logos should be vector and have outlined fonts (if provided as bitmap, please use high-res images)

**FONTS and LINKS**

- Supply all fonts used in your design (zip Mac fonts). If unsure how to collect fonts, convert them to outlines
- Supply all links used in your document. Use packaging feature if available. If unsure how to collect links, embed them in the file when saving.

**COLOR**

- If PMS color matching is required, please use original Pantone + Solid Coated swatches in your artwork. Modifying Pantone names will result in printing default color (CMYK)
- CMYK artwork will be produced "As Is". Our color output is balanced and vibrant.
- Convert RGB art to CMYK if possible.
- If you are sending Certified Color Proofs (Gracol, Swop, Fogra), please provide ICC file information used to print your samples. Best option would be to include ICC chart on your prints.

**ARTWORK IN THE STRUCTURE**

- Please note that any panels going in the metal frame will hide 1/4" of your art all the way around. If you have a continuous wall where individual panels are divided by metal, use 1.25" spacing in between each panel to account for gaps and the natural flow of the graphics.

### ACCEPTABLE FILE SOFTWARE

We are capable of working with both PC and MAC based software, and can accept art created with the ADOBE Creative Suite - Illustrator, InDesign, and Photoshop

Always provide the following:

- Native files with fonts and links (zipped)
- High-res PDF-X/4 exports of the files

### ACCEPTABLE FILE TYPES and SUPPORT FILES

**NATIVE FILES:**

- AI (CS6, CS5, CS4...) file with embedded links and outlined fonts
- EPS file with embedded links and outlined fonts
- INDD file with Packaged supporting links and fonts

**PRINT FILES:**

- High-res PDF-X/4 (preferred)
- AI with PDF content (choose this option when saving file)
- EPS files with embedded links and outlined fonts

**RASTER OR BITMAP ART:**

- Photoshop EPS (preferred, use 8-bit preview, Max, Quality JPG compression)
- PSD (make sure font layers are rasterized)
- TIFF, JPG (quality 8 and higher)

Mac users: Use Zip or Stuffit programs when submitting fonts other than OTF (Open Type Fonts)

- Option 1: A professional exhibit contractor plan (i.e. Freeman, EFI, Syma, etc.)

- UL-rated TL30 Burglary rating – High Security Safe
- Non-UL rated “Class B” – Medium Security Safe.

Individual insurance policies have different coverage parameters for trade shows and specific safe models. Rolland Safe Company and JCK Las Vegas advise Exhibitor to consult with own insurance carrier PRIOR to submitting safe order to determine which security level required for insurance compliance.

As the authorized representative of the listed company, I confirm that the above safe rental placement(s) is correct and accept the rental conditions as stated on my JCK Safe Rental Agreement submitted to Reed Exhibition Companies.

## SAFE RENTAL TERMS:

Submit Safe Position Plan To: [safere rentals@rollandsolutions.com](mailto:safere rentals@rollandsolutions.com)

**SAFE INSTALLATION PROCEDURES:** A detailed booth plan showing position of rental safe/ safes is no later than 5-5-23.

We accept any of the following plans:

- Option 1: A professional exhibit contractor plan (i.e. Freeman, EFI, Syma, etc.)
- Option 2: A hand-drawn plan, indicating all walls, enclosed rooms, doors, furniture, and potential obstacles. Indicate the front, sides and back boundaries of the booth.
- Option 3: Rolland Standard Safe Placement Installation Plan.

**Note: ALL SAFE ORDERS MUST INCLUDE SAFE PLACEMENT.**

Safes are installed several days in advance of Exhibitor Setup Day. No installation plan results in delayed safe placement.

**INSURANCE COMPLIANCE:** Exhibitors are solely responsible for insuring their show inventory. Rolland Safe Company and JCK Las Vegas do not provide insurance coverage. The safe program has been reviewed and approved by most jewelry insurance companies. Each of the rental safe options fall into one of two distinct security levels with different insurance coverage limits:

- UL-rated TL30 Burglary rating – High Security Safe
- Non-UL rated “Class B” – Medium Security Safe.

Individual insurance policies have different coverage parameters for trade shows and specific safe models. Rolland Safe Company and JCK Las Vegas advise Exhibitor to consult with own insurance carrier PRIOR to submitting safe order to determine which security level required for insurance compliance.

As the authorized representative of the listed company, I confirm that the above safe rental placement(s) is correct and accept the rental conditions as stated on my JCK Safe Rental Agreement submitted to Reed Exhibition Companies.
