

**POV & CART SERVICE**

Freeman will provide Cart Service for your event. Cart Service is a feature for Privately Owned Vehicles (POVs) that meet the requirements below.

**DEFINITION OF PRIVATELY OWNED VEHICLE:**

Privately Owned Vehicles are defined as cars, pick-up trucks, vans and other trucks primarily designed for passenger use, not cargo or freight. Vehicles that do not qualify for this service, or that have material that requires mechanical assistance to unload, will be directed to the Freeman Marshalling Yard.

Workers equipped with a flat cart scooter will assist exhibitors with unloading. Each cart will handle a load approximately 3' wide x 4' long x 3' high. Freight must not exceed 300 lbs. For safety reasons, it will be the judgment of the freight supervisor if the load can go higher than 3 feet. Cart Service includes storage of empty cardboard/product boxes at no additional charge. Empty stickers for your cartons and cases will be provided for this service.

**RATES:**

This service is available at a round trip rate of \$188.50 per trip (from the dock to the booth and the booth to the dock).

**DIRECTIONS:**

- To receive this service, proceed directly to the facility and check in at the designated POV Check-In area for staging, checking in, processing paperwork and determining if vehicles are qualified for Cart Service. There will be signage posted to direct you.
- Two people must be with the vehicle - one to accompany the product to the booth and one to remove the vehicle from the area.
- The determination of Cart Service versus Material Handling will be made at the discretion of Freeman management. Any disputes will be handled at the time of unloading.

## POV & CART SERVICE MAP & DIRECTIONS

### VENETIAN EXPO & CONVENTION CENTER

The Venetian Expo & Convention Center has a limited amount of space for unloading P.O.V.'s. In an effort to provide the most efficient service and to help alleviate problems or frustration associated with P.O.V. Services, Freeman has secured a lot (see map) for staging, checking in, processing paperwork and determining if vehicles are qualified for P.O.V. Service. **Please note:** We anticipate that during peak periods wait time for this service can exceed 2-3 hours. We will do everything in our power to eliminate this wait time.

In addition to the limited amount of space available for unloading P.O.V.'s, the parking for the Venetian Expo & Convention Center at the Venetian Hotel has very limited space for parking large vehicles including those pulling trailers. Please make arrangements prior to arriving in Las Vegas if you plan on bringing a vehicle and trailer.

### IMPORTANT

P.O.V service will require one person to remain with the vehicle at all times. If an exhibitor would like to go to the booth while the freight is being unloaded, Freeman will require an additional person to remove the vehicle.

All orders are governed by the Freeman Payment Policy and the Limits of Liability and Responsibility.
